

PUBLICATIONS

One publication was selected among the most interesting of the year and published in:

1. The Year Book of Plastic and Aesthetic Surgery 2005

D. Tsoutsos, **S. Rodopoulou**, E. Keramidas, M. Lagios, K. Stamatopoulos, J. Ioannovich;

Early Escharotomy as a Measure to Reduce Intra-abdominal Hypertension (IAH) in Full Thickness Burns of the Thoracic and Abdominal and area

Word Journal of Surgery vol. 27:12 1323-1328, 2003

2. The Year Book of Surgery 2004

D. Tsoutsos, **S. Rodopoulou**, E. Keramidas, M. Lagios, K. Stamatopoulos, J. Ioannovich;

Early Escharotomy as a Measure to Reduce Intra-abdominal Hypertension (IAH) in Full Thickness Burns of the Thoracic and Abdominal and area

Word Journal of Surgery vol. 27:12 1323-1328, 2003

Plastic and Reconstructive Surgery

1. E. Keramidas, **S. Rodopoulou**, D. Tsoutsos, G. Miller, J. Ioannovich

Comparison of transthecal digital block and traditional digital block for anaesthesia of the finger

Plast Reconstr Surg. 2004 Oct;114(5):1131-4; discussion 1135-6.

2. E. Keramidas, **S Rodopoulou**, U. Khan

The balloning manouvre for breast augmentation.

Plast Reconstr Surg 2005 May;115(6):1795-6

3. E. Keramidas, **S Rodopoulou**

Lidocaine versus Ropivacaine in digital nerve dlocks. A prospective study

Plast Reconstr Surg 2007 Jun 119(7)2148-52

British Journal of Plastic Surgery

4. E. Keramidas, **S. Rodopoulou**, N. Metaxotos, P. Panagiotou T Iconomou, J. Ioannovich.

Reverse dorsal digital and intercommissural flaps used for digital reconstruction.

British Journal of Plastic Surgery, Jan. 2004; 57, 61-65

European Journal of Plastic Surgery

5. E. Keramidas, **S. Rodopoulou**, P. Panagiotou, J. Ioannovich;
Toxic shock syndrome presented in an adult burn patient. A case report and review of the literature.

European Journal of Plastic Surgery vol.25, No 7-8, P 430-432
Febr.2003

6. **S. Rodopoulou**, E. Keramidas, N. Metaxotos, G. Tagaris, E. Tsati, J. Ioannovich

Treatment of Frey's Syndrome using Botulinum Toxin Type A.

European Journal of Plastic Surgery; vol. 24; No 6; pp 297-302,
2001

7. E. Keramidas, **S. Rodopoulou**, U Khan

Pseudocyst formation after abdominoplasty.

European Journal of Plastic Surgery; vol. 28; No 6; pp 297-302,
2006

Scandinavian Journal of Plastic Reconstr. and Hand Surgery

Aesthetic Plastic Surgery

8. E. Keramidas, S Rodopoulou

Striae distansae after subfascial breast augmentation

2008 Mar-April 32(2)377-80

World Journal of Surgery

9. D. Tsoutsos, S. Rodopoulou, E. Keramidas, M. Lagios, K. Stamatopoulos, J. Ioannovich;

Early Escharotomy as a Measure to Reduce Intra-abdominal Hypertension (IAH) in Full Thickness Burns of the Thoracic and Abdominal and area

World Journal of Surgery vol. 27:12 1323-1328, 2003

European Journal of Trauma

10. E. Keramidas, S. Rodopoulou, G. Miller

Bifid median nerve. How rare is it? Two case reports and review of the literature

European Journal of Trauma No 5, 323-6, 2004

Annals of Burns and Fire Disasters

11. D. Tsoutsos, E. Tsati, N. Metaxotos, E. Keramidas, S. Rodopoulou, J. Ioannovich

Extensive Burn Injury complicated by mucormycosis: A case report
Annals of Burns and Fire Disasters; vol. XIV; n 3; September 2001

12. E. Keramidas, S. Rodopoulou, T. Iconomou, E. Tsati, J. Ioannovich.

Methicillin resistant staphylococcus epidermidis (M.R.S.E.)
infection intensive to teicoplanine. A case report and review of the
literature

Annals of Burns and Fire Disasters vol. XVI, n 4, December 2003

Discussion of Publication

Discussion of the paper

Comparison of transthecal digital block and traditional digital block
for anaesthesia of the finger

By E. Keramidas, **S. Rodopoulou**, D. Tsoutsos, G. Miller, J.
Ioannovich

Plast Reconstr Surg. 2004 Oct;114(5): discussion 1135-6.
